A DESTINATION LIKE NO OTHER

If you are looking for a safe and friendly destination offering a dynamic, multicultural experience while you study, look no further than Sydney.

The oldest city in Australia, Sydney is the country’s economic and financial hub, and is home to the regional headquarters of around 500 multinational companies. Wherever you choose to develop your career, Sydney is the perfect place to start.

Australia is famous for its relaxed lifestyle, astounding landscapes and high standards – particularly in education and healthcare. First inhabited by Indigenous people at least 50,000 years ago, Australia has attracted people from more than 200 countries to study and migrate. Wherever you come from, you are likely to find people from your country who have made their home ‘Down Under’.

Macquarie is the first university in the Southern Hemisphere to receive the award.

YOU WILL BE ABLE TO:
• easily complete this program in one semester
• choose four workshops (colloquial) from a variety of topics
• attend GLP events such as Innovative Leaders, where you’ll hear from inspirational entrepreneurs and public figures

OPTIONAL EXTRAS INCLUDE:
• attending the Foreign Affairs Series

There is no cost to join or complete the GLP, and there are no assessments or academic entry requirements. Success in the GLP is based on participation and students who complete the program requirements receive a certificate, GLP transcript and reference letter at the end of their semester. Please note, some optional activities may incur a subsided cost and require a competitive application.

“GLP offers so many opportunities for students to grow as individuals in our globalised world and to make the most of the experience as a Study Abroad student at Macquarie University. I can definitely suggest not letting this horizon-broadening opportunity slip.”

Frequently asked questions
WHAT YOU NEED TO KNOW

WHAT ARE THE ADMISSION REQUIREMENTS?
You’ll need a GPA of 4.5 out of 7.0 (or international equivalent such as 2.5 out of 4.0) for admission to the Study Abroad or Exchange program. Certified transcripts from your home institution/recognised representative are required, along with proof of English proficiency at IELTS 6.5 (or equivalent) and a copy of your passport.

I AM A POSTGRADUATE STUDENT, CAN I STUDY AT MACQUARIE?
Macquarie University offers stimulating subjects at both undergraduate and postgraduate level. If you have completed your bachelor studies and are currently studying or about to start a masters degree, choose from our postgraduate units.

I AM STILL AT HIGH SCHOOL, CAN I JOIN THE STUDY ABROAD PROGRAM AT MACQUARIE?
If you’re not currently going to university and don’t want to commit to a long-term degree, you can enrol in the Study Abroad program at Macquarie. Undertaking a semester or two at Macquarie will allow you to explore different areas of study without tying yourself down to a particular university or major.

HOW DO I TRANSFER CREDIT?
As a general guide, the four-unit program at Macquarie is equivalent to 16 credits (USA) or 30 ECTS (Europe). Upon completion of your studies at Macquarie, you will be provided with an official transcript of your results. Always check with your home university whether you can transfer Study Abroad or Exchange credit towards your degree before applying.

DO I NEED HEALTH INSURANCE?
Yes, all international students studying in Australia must have an appropriate level of health insurance for the duration of their studies. For most students, this means taking out Overseas Student Health Cover (OSHC) with a government-approved provider. Alliansz is Macquarie University’s chosen provider of OSHC, and we will organise your policy on your behalf.

CAN I WORK WHILE I’M STUDYING?
As an international student visa holder in Australia, you’re entitled to work up to 40 hours per fortnight (two-week period) during academic semesters and unlimited hours during scheduled semester breaks. Casual and part time job opportunities can be found on campus or in the nearby Macquarie Centre shopping complex, and the University’s Career and Employment Service can provide free assistance with perfecting your résumé and practising your interview skills.
